

Sponsorship Packages

Join your community to support gynecologic cancer survivors, and spread awareness by becoming a 2023 Teal Takeover sponsor.

Join AdventHealth for the third annual Teal Takeover from September 1 - 31 as we spread awareness to our community about gynecologic cancer. In 2023 alone, it's estimated that over 113,000 new cases will be diagnosed and over 33,000 deaths will be caused by gynecologic cancer in the U.S.

You can make a difference for women receiving this life-threatening diagnosis. Throughout the month of September, Teal Takeover fundraising efforts include (but are not limited to) research, wellness and lifestyle resources, and survivorship education programs to support those impacted by gynecologic cancer.

Wherever you are, you can raise money to support women in your community and help us paint the town teal!
