

INSPIRING HOPE & HEALING

IMPACT REPORT 2024

Fred, Cardiac Survivor

Advent Health

Foundation | West Florida

When you support our West Florida Foundations, you help us provide whole-person, compassionate care so our patients and their families can live their best, most vibrant lives.

Hope in the Healing

Fred has always had a zest for life. From enlisting in the Navy to working on a space shuttle, there haven't been many challenges or adventures he's turned down. Becoming sick, though, was a new experience for him. Fred was working on his house when he began having chest pains and shortness of breath — he knew he needed help.

Fred arrived at AdventHealth Wesley Chapel with a 90% blockage in his heart and an expert cardiac team saved his life. Thanks to compassionate caregivers like Wesley Chapel's Fitzalbert Martin and Foundation donors supporting lifesaving care, Fred is grateful to be on the road to recovery.

As I take a moment to reflect on the past year, I am truly amazed by the incredible generosity and support that our AdventHealth West Florida Foundations have received from our wonderful donor community.

From dedicating a brand-new mobile mammography bus fully funded by our donors to celebrating the opening of lifesaving technology in our Lakes Wales and North Pinellas hospitals, your unwavering support and commitment have been the cornerstone of our success.

What excites me most about the year ahead is continuing to showcase and celebrate the transformative impact of local philanthropy in action. Without it, we wouldn't be able to move whole health forward in ways that save lives and give hope. Together across 11 West Florida hospitals, with passion and innovation, we are raising critical funds supporting our nonprofit health care system.

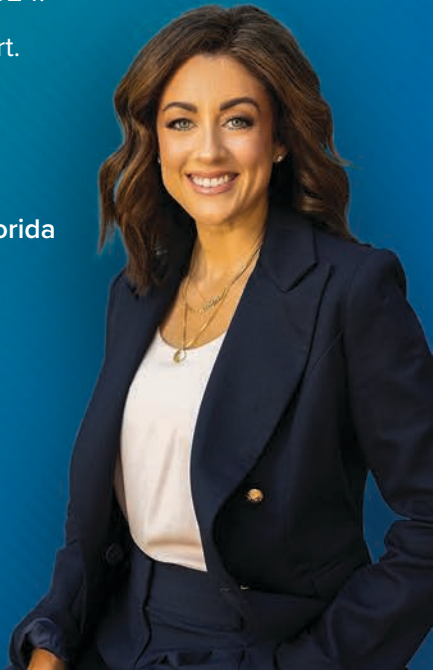

As our region grows, the crucial work of the West Florida Foundations becomes increasingly important, and your contributions make it all possible. We look forward to even more opportunities to invest in state-of-the-art equipment, world-class clinical programs and expanding access to our lifesaving network of care.

Generosity is the driving force behind our mission, and I am grateful to you for being part of that momentum. Please enjoy reading about the impact you helped us achieve in 2024.

Thank you for your amazing support.

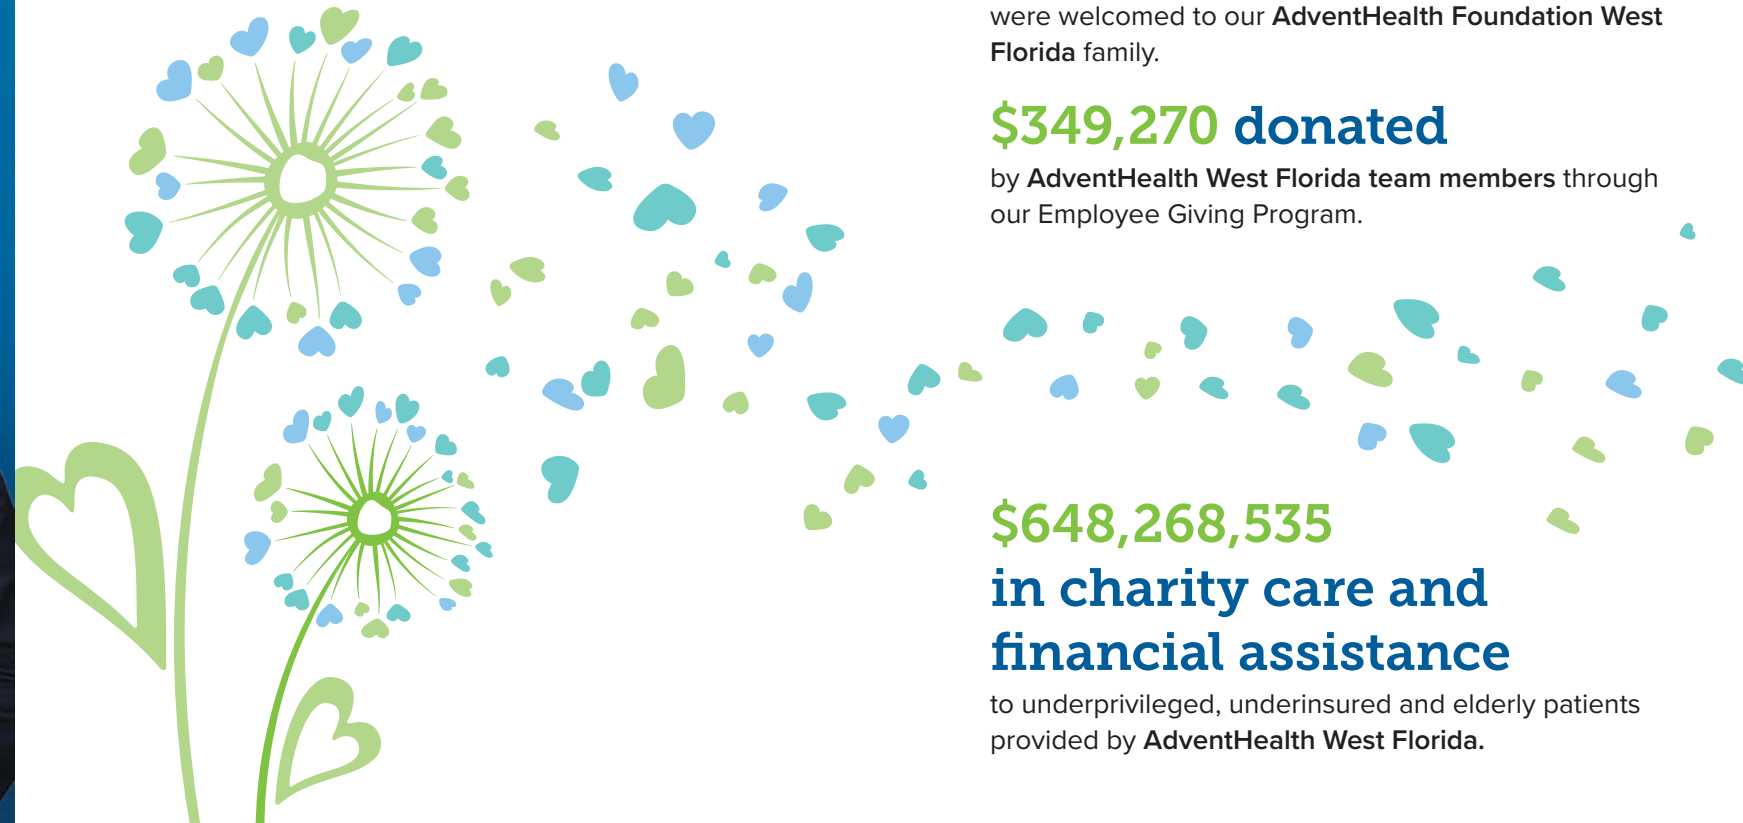

Kristen McCall, President
AdventHealth Foundation West Florida

Impact Moments in 2024

Opening of AdventHealth Riverview

Dedicating New West Florida Mammo Bus

Fully funded by more than **\$800,000** of donations from Foundation West Florida donors, this newest addition to the mobile mammography fleet will significantly increase the lifesaving breast cancer screenings we provide every year in our communities.

Supporting Advanced Cardiac Care at AdventHealth Heart of Florida

The AdventHealth Polk Foundation granted **\$119,000** to AdventHealth Heart of Florida's cardiac rehabilitation program, resulting in a ribbon cutting in 2024 for a brand-new expanded space.

Expanding Women's Care at AdventHealth North Pinellas

Spurred by philanthropic donations from local donors like Rick and Ann Glass, leading-edge care was expanded at AdventHealth North Pinellas through the opening of the brand-new Women's Imaging Center, offering 3D mammograms and other services.

Elevating Leading-Edge Cardiovascular Care at Pepin Heart Institute at AdventHealth Tampa

Through our generous donors who support the Pepin Heart Institute at AdventHealth Tampa, our Foundation granted almost **\$5 million** to help build a state-of-the-art cath lab that will further improve patient outcomes and operational efficiency.

Heartfelt Gift from Grateful Patient at AdventHealth Connerton

A donation of **\$250,000** from an anonymous donor helped purchase a state-of-the-art CT scanner for AdventHealth Connerton. The investment honored the tremendous care provided to the donor's family member.

Supporting New Moms at AdventHealth Carrollwood

Thanks to a generous donation from the **Persaud family**, breastfeeding moms at AdventHealth Carrollwood can enjoy the privacy of a new nursing room.

Transforming L&D Services at AdventHealth Ocala

The 6th annual McKenzie's Moment weekend raised **\$200,000** for AdventHealth Ocala's maternal fetal medicine program, helping further transform the hospital's labor and delivery services into a state-of-the-art center equipped to provide whole-person care for patients and their families.

Leading-Edge Technology at AdventHealth Wesley Chapel

AdventHealth Wesley Chapel was able to upgrade its emergency department with the addition of a new CT machine, by a grant of **\$350,000** made possible by Foundation donors. It positively impacts health outcomes by increasing imaging accuracy, especially when every moment matters.

Expanding Patient Care at AdventHealth Zephyrhills

Thanks to the **\$1.5 million** donated by AdventHealth Dade City and AdventHealth Zephyrhills Foundations donors, AdventHealth Zephyrhills was able to expand its cath lab capabilities to serve even more patients in the moments it matters most.

Transforming Breast Care at AdventHealth Lake Wales

Thanks to the **generosity of local donors**, AdventHealth Lake Wales added a 3D mammography machine. Evidence continues to show that 3D mammograms are better at finding cancer, so this new addition impacts lives by detecting cancer earlier.

Celebrating the Opening of AdventHealth Riverview

AdventHealth embarked on an exciting new season with the opening of its newest hospital, AdventHealth Riverview. Already, a committed group of local philanthropic leaders are supporting the hospital, including the **Blankenship family**, who invested in the state-of-the-art emergency room and the hospital's helipad.

Expanding Patient-Focused Care at AdventHealth Dade City

With more than **\$100,000** in funding from the AdventHealth Dade City Foundation, the hospital unveiled its new Med-Surg 1 Unit, designed to elevate surgical recovery care.

Giving Hope

Our donors help provide whole-person, compassionate care to AdventHealth patients and their families. How they give and why they give is personal. So whether they're paying it forward, giving back or leaving a legacy, we help them make a difference in ways that best fit their philanthropic passion.

Honoring caregivers at AdventHealth North Pinellas.

FRIENDS OF THE FOUNDATION

Our **Friends of the Foundation** is a group of loyal supporters who make a gift of \$1,000 or more each year toward AdventHealth West Florida's mission and priority projects. Individually and collectively, they help us move health forward across West Florida.

HONOR A CAREGIVER

The **Honor a Caregiver** program celebrates the compassionate care provided by AdventHealth team members every day across the West Florida Division. Patients and families make a gift or leave a note of gratitude honoring their experience.

EMPLOYEE GIVING

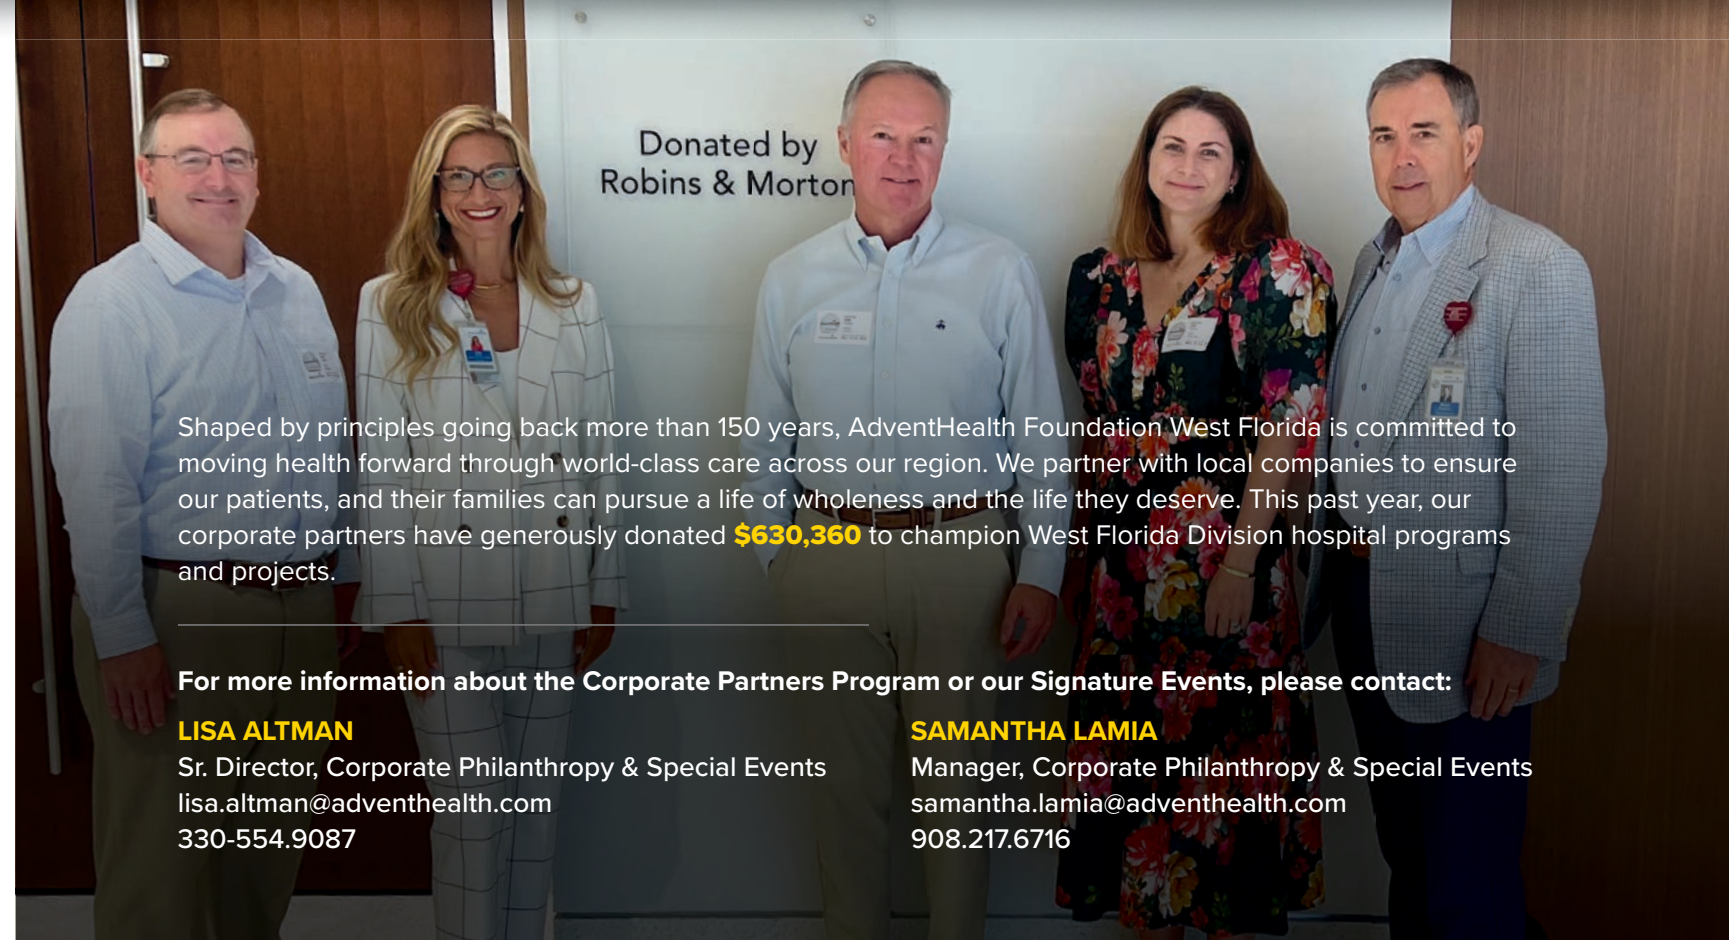

Gratitude is key to our Foundation's success, and it starts within the walls of our hospitals. **Employee Giving** is a voluntary program that allows our team members to further support patients, visitors and fellow employees.

LEGACY GIVING

Legacy Giving creates a lasting legacy of transformational support by donating planned gifts, which are contributions arranged in the present and allocated at a future date. Commonly donated through a will or trust, planned gifts are usually granted when a donor passes away.

Corporate Partners Program

Committed to Our Mission

Shaped by principles going back more than 150 years, AdventHealth Foundation West Florida is committed to moving health forward through world-class care across our region. We partner with local companies to ensure our patients, and their families can pursue a life of wholeness and the life they deserve. This past year, our corporate partners have generously donated **\$630,360** to champion West Florida Division hospital programs and projects.

2024 Signature Events

Celebrating Whole Care

Fishing Tournament

With Brasfield & Gorrie as Presenting Sponsor, the 2024 Fishing Tournament in April at Hula Bay was a beautiful day on the water! Over 40 boats went out after hearing about exciting advancements in AdventHealth's care for children.

Starlight Gala

Another sold-out Starlight Gala, another incredible night! With more than 900 community members attending, the event supported Women's & Children's services across the West Florida Division and enjoyed a special musical performance from Grammy Award winner Colbie Caillat.

Golf Classic

On a gorgeous day in December, more than 100 golfers hit the links to support AdventHealth's Community Care Fund, which provides financial assistance for team members experiencing hardship. This year featured an Air Cannon Shot, launching golf balls high in the air for the perfect drive.

Thank You For Giving the Gift of Hope

Walking with patients and caregivers through their health care journey extends the healing ministry of Christ and offers hope.

When you support our West Florida Foundations, you help us provide whole-person, compassionate care so our patients and their families can live their best, most vibrant lives.

Your gifts help fund lifesaving projects, develop groundbreaking treatments and ensure we have the most advanced facilities and equipment—which means more life-changing moments of celebration right here in our community.

Thank you for helping us deliver world-class health care, close to home.
