Journal Club	Biannually
CREOG exam prep	Annually
Oral Exam	Annually
Wellness activities	Quarterly
Preoperative conference	Monthly
Meeting with PD	Quarterly
Tumor Board	On Gyn Onc

Simulation & Surgical Skills Training

Simulation/skills sessions will occur monthly during protected Friday morning didactics.

These will include:

- **Obstetric simulations such as** shoulder dystocia, postpartum hemorrhage, eclampsia, operative vaginal deliveries and OASIS lacerations.
- **Gyn Simulations such as** IUD insertions, hysteroscopy, D&C, vaginal hysterectomy and laparoscopic simulations including Essentials in Minimally Invasive Gynecologic Surgery (EMIGS), Simsei curriculum, and robotic skills lab.

Research

Over the course of training, residents will be expected to take part in a quality improvement project and an original research project. These projects will be presented at the Departmental Grand Rounds at the end of the academic year as well as the AdventHealth Orlando GME Resident Research Day.

Obstetrics and Gynecology
Residency Program

AdventHealth Graduate Medical Education

Teaching Sites

The AdventHealth for Women and AdventHealth for Children hospitals are home to the OB Emergency Department, Labor and Delivery, antepartum and postpartum inpatient care, and a Level 4 NICU. Gynecology surgical services are performed in the main hospital or Sherman Outpatient Surgery Center, which are attached to the women’s and children’s hospitals.

The outpatient clinic is housed within the AdventHealth Medical Group Orlando OB/GYN office at 235 East Princeton Street, Suite 200, Orlando, Florida 32804

Salary and Benefits

Salary

PGY 1 – \$66,716
PGY 2 – \$69,402
PGY 3 – \$71,989
PGY 4 – \$75,505

Benefits

Medical insurance: AdventHealth offers our team members a comprehensive Total Rewards program that includes benefits to support your whole person health. Medical insurance is offered through the AdventHealth Employee Health Plan and includes prescription coverage.

Vision and Dental: Available, institution and resident/fellow share cost.

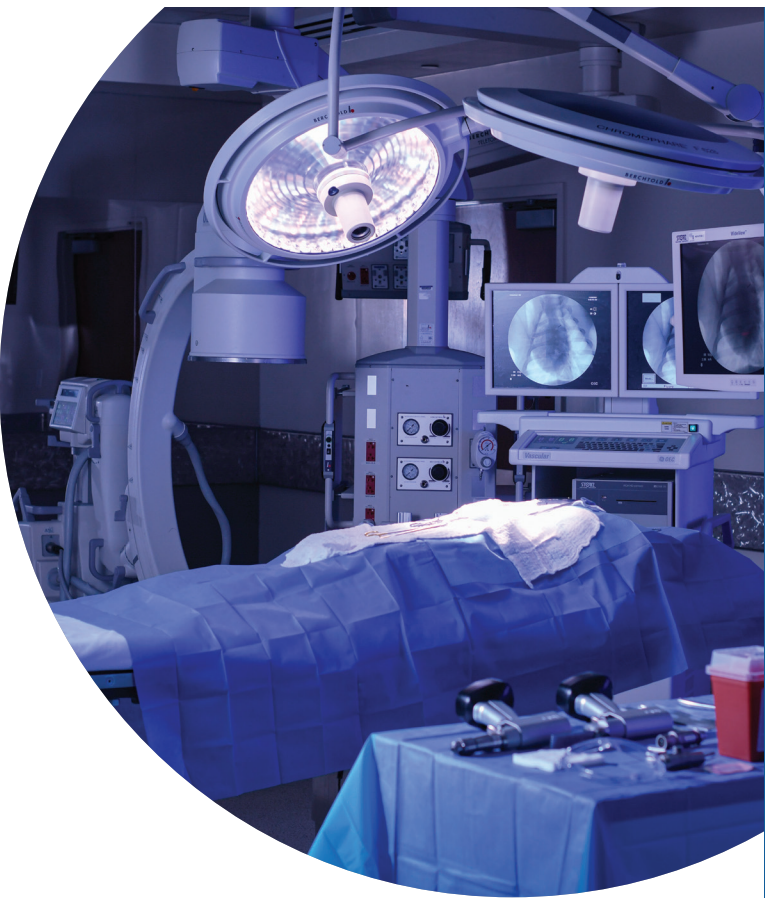

Vacation/personal time: Trainees receive 20 days for vacation/personal time off each year. 5 additional days are allowed for CME travel to conferences/board review/boards.

Uniforms: Residents will receive a new white coat. Scrubs are provided in each location's OR locker room. Additional white coats and scrubs are eligible for purchase through Education Allowance.

Meals: Residents receive a daily meal credit.

Parking: Designated physician parking is free at all locations.

Education/CME Reimbursement: Residents receive \$1500 max in education/CME reimbursement per academic year for select items.

Rotation Schedule

Our residency program curriculum provides training that will allow graduates to pursue a full-scope generalist practice with substantial exposure to all subspecialties if a subspecialty fellowship is desired. All rotations are six weeks long.

Program Director Welcome

As a new program, we are seeking enthusiastic residents who are dedicated to shaping their education and providing high-quality patient care to the greater Orlando community. At AdventHealth, you will have a robust clinical experience with high-quality education to match. In addition, the wellness program helps to care for you as you progress through your residency on your way to independent practice.

Thank you for your interest in our program, and we look forward to receiving your application.

Sarah Weaver, MD
Program Director

Sarah Cappleman Shekailo, MD
Associate Program Director
