

A Guide to Our Campus

AdventHealth for Children is known for:

- Technologically advanced, flagship facility in Orlando with environments designed by Walt Disney Imagineering
- 250+ pediatric specialists practicing 35 subspecialties
- Level IV NICU offering the highest level of care available to neonatal babies and recognized by *U.S. News & World Report* as a national leader in newborn care for 6 years in a row
- Comprehensive heart center with a multidisciplinary team including congenital heart disease experts and elite pediatric cardiovascular surgeons
- Level IV Comprehensive Pediatric Epilepsy Center — the highest designation by the National Association of Epilepsy Centers and the only one in Central Florida for both adults and children
- The Kids Beating Cancer cellular therapy program is the only one in Central Florida and is internationally accredited by the Foundation for the Accreditation of Cellular Therapy (FACT)
- Only pediatric liver transplant program in Central Florida, in partnership with UPMC Children's Hospital of Pittsburgh
- Complimentary, personalized health navigation to help you find a provider, schedule appointments, get answers to health care questions and more
