

Giving Back to AdventHealth for Children

Ways to Give Back

There are many ways to get involved and give back to our children and families in the hospital. Below are some easy, quick ways to donate.

Amazon Wish List

Scan the QR code to access our Amazon Wish List.
Send some of our most wanted items straight to the hospital.

Key Items Needed

These are key items that need to be restocked frequently:

Play-Doh	Board games	Stuffed animals
Coloring books	UNO!™ cards	Crayons, colored pencils, markers
Adult coloring books	Earbuds	
Matchbox cars	Animal toys	
Nail polish	Dinosaur toys	

Project Ideas

Due to infection prevention, we must limit patient interaction within the hospital. We highly encourage groups to participate in projects that benefit our patients and families.

Fleece tie blankets	Arts and crafts kits
Drives for our most-needed items	Invisible string bracelets

Donate

With a gift to AdventHealth for Children, you can make a monetary donation to support families in the hospital with things like gas, groceries and rent. You can also make a contribution to support programs and services such as child life, music and art therapies, and innovative treatments and trials. 100% of every dollar raised will support families receiving care in their greatest time of need.

Donating to AdventHealth for Children

On behalf of AdventHealth for Children, we would like to express our sincere appreciation for providing our patients with your generous donations. As you may know, children commonly have difficulty adjusting to the hospital. During their stay, we do our best to ease their fears by providing them with opportunities to play, laugh and smile; your donations play an important role in helping us reach this goal. We value our relationship with you and thank you for thinking of our patients at AdventHealth for Children!

Items we are unable to accept

Used/cloth toys, balloons, yo-yos, toy guns, knives or any other violent toys, candy, food or drinks. For infection control and safety purposes, we can only accept unwrapped, new gift items.

Please keep in mind

Any toys that include paint or glue products should be non-toxic. Monetary gifts can also be used to purchase toys/supplies for patients at AdventHealth for Children.
