Generosity Heals

Welcome

AdventHealth was founded in 1908 to provide whole-person care for the body, mind, and spirit. For over a century, AdventHealth has invested in the health of our community. Your philanthropic support has enhanced our ability to provide the highest quality health care close to home, so you and your family do not have to travel.

We invite you to continue this tradition of generosity by investing in an area of care that is meaningful to you. Your gift will help improve the health of patients and families in our community who need it most. 100% of your donation will directly benefit the patients we serve.

Thank you for supporting our mission to extend the healing ministry of Christ. Your generosity helps us accelerate our journey to excellence as we care for you, your family, and our community. We are humbled by your support.

Areas to Support

Your generosity spreads across four counties and around the globe to provide a wide range of support for patients in need.

AdventHealth Campuses

Your gift to an AdventHealth location can help build new facilities, attract expert physicians and researchers and develop groundbreaking ways of treating patients close to home. Support your nearby hospital campus and build a lasting impact in your community. Whether you live in Orlando, Celebration, Apopka, Lake Nona or somewhere in between, there is a local AdventHealth in your neighborhood.

AdventHealth for Children

Through philanthropy, we can provide services not covered by insurance, such as pet, art and music therapy, child life specialists, financial assistance, counseling and much more. Nearly 72% of families in the hospital require financial support to meet basic needs. We rely on community support annually to help these patients and their caregivers during their health journey.

AdventHealth University

You can enhance the learning community by contributing to health care higher education, student scholarships, expanding access, research grants and more. Your gift brings a student one step closer to pursuing the dream of becoming a health care professional.

Cancer Institute

Donors have an opportunity to help scientists advance cancer care through clinical and translational research at AdventHealth Cancer Institute. Our leading oncology experts are committed to ensuring the Central Florida community has access to the necessary screenings, lifestyle and wellness education and other survivorship resources to aid cancer patients with whole-health experiences.

Diabetes Institute

Contributions fuel a wide range of educational resources, from classes to cooking demonstrations, to help individuals better understand a new diagnosis and take charge of their health and wellness goals. Participating in AdventHealth Diabetes Institute programs can help patients significantly lower A1C levels and achieve a healthy weight, addressing metabolic diseases and dysfunctions. Participants have shown an average A1C level decrease of 8.19% to 6.95% and an average weight loss of nine pounds.

Global Missions

Global Missions has 17 mission partner locations in 16 countries and your support helps provide a mission-driven health care community where AdventHealth employees and physicians can go beyond their normal duties to Extend the Healing Ministry of Christ throughout the world.

Heart Lung and Vascular Institute

Your generous gifts can provide medical treatments for underserved and uninsured patients, advance innovation and emerging technologies, patient education programs, fund heart disease prevention initiatives and fast-track critical research.

Hospice

By partnering with AdventHealth Hospice Care, you help provide patients and their loved ones with comfort, peace and dignity during one of life's most intimate and vulnerable times. Proceeds benefit uninsured individuals and provide bereavement counseling for families and children. Your generosity helps to enable patients to live their lives to the fullest, surrounded by our hospice care team.

Neuroscience Institute

Contributions help to expand our neuroscience institute's specialized programs, bringing the latest research and treatment options to Central Florida. Your generosity impacts those living with dementia and Alzheimer's, Parkinson's disease and other neuro-degenerative disorders. Our brain health outreach programs further ensure our neurology patients and caregivers have the support, education and assistance to navigate these challenging diagnoses.

Orthopedics Institute

Together, AdventHealth and Rothman Orthopaedics are creating a groundbreaking network to serve as the new gold standard in quality, innovation, research and whole-person care. With a gift to support orthopedics, you become part of transforming orthopedic care in Central Florida.

Research Institute

AdventHealth is a leader in groundbreaking research with worldwide applications in the areas of cancer, cardiovascular disease, diabetes and neuroscience. Your support can keep AdventHealth on the leading edge of research by providing principal investigator grants to promising physician scientists and research professionals or by helping to provide the latest equipment and technology to continue to make scientific discoveries that lead to cures. Investments in clinical and translational research empower AdventHealth to push the limits of what's possible, and further deliver on our promise of whole-person health to those we serve in Central Florida and beyond.

Sharing Smiles

Sharing Smiles mobilizes volunteers who are medical professionals to provide healing and hope to children in underdeveloped countries. We provide cleft lip and palate surgeries, pediatric dentistry and pediatric rehabilitation services. Community donations and collaboration with local medical professionals help to ensure these children receive the ongoing care needed to help them do what they do best — smile. Sharing Smiles' goal is to create year-round, sustainable, locally based care to the children we serve.

Transplant Institute

Our transplant team strives to provide every patient and their family with physical, emotional and spiritual support throughout their health journey. Foundation funds assist patients with necessities like vital medication, lab work, lodging and transportation. Your donations can also support underserved patients providing care to those who need it most.

Honor a Caregiver

Say thank you in a meaningful way.

Every day, caregivers at AdventHealth make a meaningful impact on the lives of our patients and families. As they reflect on experiences ranging from a lifesaving procedure to a visit from a volunteer, patients often let us know how grateful they are for the exceptional care they received.

Gratitude is part of the healing journey, so we encourage patients to recognize a member of their health care team with a thank-you note or gift in their honor. If a doctor, nurse, chaplain, nutritional services worker or EVS team member made a difference in you or your loved one's health care journey, patients can say thank you for their care.

Every thank you inspires and encourages our teams to continue providing the whole-person, compassionate care that you deserve. 100% of gifts support the causes most meaningful to you. The dollar amount of your gift will remain confidential as we send your message of thanks to the professionals who cared for you or your loved one during a hospital stay.

"Without all the special equipment and amazing staff members taking care of us, I really don't think Connor would be here. Every dollar makes a huge difference, not only to the patients, but to the families. It can literally change the trajectory of the child's life and family moving forward."

—Jennifer, whose son, Connor, was in the NICU for 100 days

"I give to honor each transplant survivor and the donors who saved their lives. For me to live, an organ had to be donated, meaning another person chose to make a most courageous gift – the gift of life. I'm going to live my life in a way to help others."

—John Allen — Heart Transplant Recipient

"From the nurses who took care of my grandmother, to the doctors who delivered my sons and the team that took care of my wife and me, I'm thankful. AdventHealth caregivers are a unique blessing."

—Jeff Sweeney, former board member and heart attack survivor

"Through my cancer treatment, I learned about the Pink on Parade event and was able to participate in a wellness program free of charge thanks to the monies raised at the event. As a patient who has benefited from these services, this event is very personal and important to me."

—Carmen McCrea, former patient and breast cancer survivor
