SpaRitual Nail Lacquer

These nail polishes work double time to protect your manicure and get your nails in better shape. Even nails need recovery days. A permeable polish that lets oxygen and hydration through is best for nails that have been damaged by acrylics, harsh chemicals and improper gel removal. Seaweed extract and red tea in SpaRitual Nourishing Vegan Color nourish nails as they stay perfectly polished through your sets.

Spa Ritual colors are vegan, cruelty free and clean. Free of Formaldehyde and 13 other harmful ingredients!
