School Give-Back

Give a little, change a lot.

Support AdventHealth through a club activity, class event or after-school gathering.

AdventHealth uses your spare change to change the lives of patients in our community. Opportunities to support our front-line caregivers and patients occur annually, including Nurses Week in April, Doctors Day in March, Mental Health Awareness Month in May, and Cancer Awareness Month in October. Talk to our Foundation team to learn how you can give back to an area most meaningful to you. Every little bit adds up to help those who need it most.

Here are a few ideas:

Dress-Themed Day: Donate \$5 to dress down, wear silly hats or crazy socks.

Bake Sale: Bake your favorite goodies and ask for donations to try one of each.

Car Wash: Gather your team and host a car wash in your school parking lot.

Walk-A-Thon: Coordinate a walk/run and ask friends and family to donate toward your efforts.

Coin Challenge: Create a custom coin challenge. Set the rules and collect spare change for a certain week of the year.

Spirit Night: Contact a local fast-food restaurant, such as Chick-Fil-A, to host a spirit night. Proceeds go back to your cause.

Play it Forward: Create a livestream fundraiser or host a pay-to-play video game night against each other.**

Bowling Tournament: Host a bowling tournament at your local bowling alley.

Candy Jar Count: Have your classmates donate for a guess at the candy jar quantity. Offer a small prize for the winner while proceeds support your cause.

School Event Tickets: Donate a portion of your school's event ticket proceeds.

Support with a Shirt: Celebrate your giving efforts with a GIVE, LIVE, LOVE shirt order.*

* Contact your Foundation representative for information on shirt orders.
