

Welcome to AdventHealth Shawnee Mission - Pain Specialists

We are a hospital department of AdventHealth Shawnee Mission. This places us in the category of **Outpatient Facility** with Insurance Companies. This means that there will be a charge from the facility, as well as from our Providers with **Midwest Anesthesia Associates**. Before your scheduled appointment, our office staff will evaluate your outpatient facility benefits and make an estimate for your scheduled facility services. The Providers will send a bill separately after services are rendered. Information regarding their cost of services can be obtained from their billing company: **ABS**, their phone number is **913-647-4100 opt. 7**

In order to provide the highest quality of care, we ask that you complete the enclosed Patient Assessment Form before your Initial visit. It will provide specific information that will help us determine the best course of treatment for you. Please answer each question yourself and bring this assessment with you to your appointment.

We value your privacy, so information you provide is strictly confidential and will only be used by The AdventHealth Shawnee Mission Pain Specialists. We will not release your personal health information to anyone without your specific written permission. If you have any questions about the Patient Assessment Form or your initial visit, please call 913-676-2370.

Appointment Cancellation Policy

It is with great effort that we strive to accommodate our patient’s scheduling needs in an efficient and timely manner. While we realize that emergencies and illnesses cannot be predicted, appointment cancellations and “no shows” create voids in our schedule that could have otherwise been filled.

Cancellations

Patients cancelling two or more consecutive appointments or cancelling an appointment without a 24-hour advance notice may be removed from the schedule for future appointments and assessed a \$50 “Cancellation” charge.

No Show

Patients who do not keep their scheduled appointment and fail to call our office at least 24 hours prior to their scheduled appointment, may be assessed a \$50 “No-Show” charge.

If you are unable to keep a scheduled appointment, please call our office at 913- 676-2370 at least 24 hours prior to your scheduled appointment time.

Thank you,
Center for Pain Medicine
