

Caring for our Community Through Corporate Partnerships

At AdventHealth, it's important to us to be firmly rooted in the communities we serve.

Through our **Corporate Partners Program**, we have the opportunity to build meaningful relationships with business and community leaders that help us grow our culture of philanthropy and elevate health care.

Generous members of the Corporate Partners Program receive exclusive networking opportunities, donor recognition and signature event benefits.

80,000 Minds, One Purpose

Nationwide, AdventHealth has more than 80,000 healing hands, 5,000 medical minds and 1,000 care locations.

In West Florida, we have 13 hospitals, seven freestanding offsite emergency rooms and a robust network of care that are all **connected by our commitment to support whole-person health**.

In 2022, our Foundations invested more than \$7.5M back into our hospitals to fund facilities, programs and technology including the AdventHealth Pepin Heart Institute cath lab, the Taneja Center for Surgery, a welcoming and comfortable lobby space at North Pinellas, renovations at Dade City, an MRI machine, a baby imaging detector, an EMS vehicle, baby warmers and bassinets and much more.

Please join us in our continued investment in our hospitals and communities, and our unwavering promise to provide exceptional, quality care.

Moving Health Care Forward

From areas of greatest need and advancing cardiac care to providing leading-edge technology and supporting initiatives that help our community members live their best, most healthy lives.

Our West Florida hospitals have many patient care initiatives that need funding. We look forward to working with you to identify your passions, and to connect you to a project or program that fulfills your goals and moves our mission forward.

Foundation West Florida Area of Greatest Need

Your gift to the greatest need gives us the flexibility to fund patient care priorities, including innovative technologies, new facilities and health and wellness programs.

Care 360° Program

Our Care 360° Program is designed to help patients transition from the hospital to home or another care facility and is free to the patient. Your investment in Care 360° will change lives by providing rides to patients in need and supplying clinical kits for recovery at home.

Caring Hearts Employee Emergency

Anyone can fall on hard times. Our Caring Hearts funds allow team members who experience extreme financial hardship to apply for up to \$1,000 per year for immediate bill support. Applications are reviewed by committees and funds go directly to the vendor.

Maternal NICU/PICU Ambulance

We raising funds to purchase the only pediatric ambulance in West Florida that will allow parents to travel with their child. The ambulance will service any health care facility — not just AdventHealth locations. Your gift will offer a less stressful environment for our youngest patients and their families.

Mobile Mammography

One in eight women will be diagnosed with breast cancer in their lifetime — getting screened and early detection help save lives. Our mobile mammography buses bring lifesaving services to employees at schools, government entities and corporations across six local counties. Our buses have reached their end of life cycles and there is a need to purchase new ones. With your support, we can serve the thousands of community members who benefit from free mammograms.

Foundation West Florida Events

Our Foundation West Florida team hosts signature in-person events, featuring exclusive sponsorship and networking opportunities. Proceeds directly benefit lifesaving programs and initiatives throughout our West Florida hospitals.

Fishing Tournament

March 22, 2024

Corporate Partner Benefits

Total benefits are based on your level of investment and are customized to meet your company's vision, values and goals.

Join us in building a better tomorrow by providing hope and healing.

- Spend time with AdventHealth executive leadership at Foundation events
- Exclusive networking opportunities:
 - Host a meet and greet with select leaders, board members and donors
 - Check presentation and photo opportunity with AdventHealth leadership
 - Invitation to join AdventHealth leadership for intimate in-person activities
- Upgraded event activations: increased logo exposure and VIP experiences
- Co-branded social media graphics to share on social networks and promote our corporate partnership
- Lift the spirits of our patients and caregivers — your investment helps our entire community heal

Recognition:

- When appropriate, naming opportunities within relevant West Florida hospitals
- Acknowledgment of partnership shared with appropriate executive leadership teams and in relevant Foundation communications
- Company logo on Corporate Partners collateral, Foundation website and appropriate Foundation communications, like donor newsletters:
 - Logo will be placed with other companies that are paving the way in this program
- Opportunity to sponsor Foundation email and print appeal campaigns (e.g. Giving Tuesday)
- Company name located in our Corporate Partners Directory that's shared with AdventHealth leadership and within the Corporate Partners network

Thank you for your interest in our Corporate Partners Program. By partnering with us, you can experience how generosity heals at AdventHealth, impacting lives for generations to come.
