

Instructions for AdventHealth Learning Network (ALN) Log In – for Students

- Your OPID and password are required to login into ALN.
- Your OPID and initial password were provided to you by your Clinical Coordinator at your school.
- If you do not have your initial password, you will have to call AIT at **1-800-873-4024** to have your password reset. You will have to provide your OPID for verification purposes. If you do not remember your OPID, please contact your Clinical Coordinator at your school to obtain your assigned OPID before calling AIT.

Please follow the below steps after your initially provided password has been reset:

- From a laptop, please open an Edge or Chrome browser and type: <https://aln.sabacloud.com>
- You will be prompted to enter your OPID and password.
- Click on the hamburger button  **AdventHealth** >> Me. This will bring you to your learning plan.
