

Community Asset Inventory 2019

This Community Asset Inventory was designed to:

1. Understand existing community resources and efforts
2. Identify gaps in resources by service provided and location
3. Prevent duplication of efforts and identify potential opportunities for alignment
4. Provide a list of necessary resources for community members in need to identify avenues of support

The asset inventory includes resources in Orange, Osceola and Seminole counties.

A photograph of a man and a woman smiling and looking at a tablet together. The woman is on the left, wearing a dark blue top and a necklace. The man is on the right, wearing a light purple shirt. They are both smiling and looking at the tablet. The background is blurred, showing what appears to be a modern office or public space with large windows and indoor plants.

A person in a dark suit is shown in profile, looking down at a laptop. The scene is dimly lit, with a bright light source from the left creating a strong highlight on the person's face and the laptop screen. The background is dark and out of focus, suggesting an office environment. A blue horizontal bar is overlaid on the image, containing the text 'Legal Services'.

A man with a shaved head, wearing a grey long-sleeved shirt and blue jeans, is crouching on a grassy bank covered with fallen autumn leaves. He is looking across a body of water towards a group of five Canada geese. The water is calm with some ripples. In the foreground, there are some orange and yellow autumn leaves hanging down from the top of the frame. The background is a soft-focus view of the water and the geese.

A photograph of a woman with long brown hair, wearing a white tank top, smiling and holding a young child. The child is wearing a light blue dress with yellow floral patterns and is holding a small yellow flower. They are in a field of tall green grass with a blurred background of trees and foliage. A dark blue banner is overlaid on the bottom right of the image.
