- I. **SCOPE:** This policy applies to all patients who are permanent residents of North Carolina and receive medically necessary services at AdventHealth entities located within North Carolina. The AdventHealth Financial Assistance Policy (CW F 50.1 Financial Assistance) supports the objectives set forth by the North Carolina Medical Debt Mitigation Policy (MDMP).
- II. **PURPOSE:** To establish consistent guidelines in support of the objectives outlined by the North Carolina MDMP and adherence to the federal and state regulations related to financial assistance. AdventHealth is committed to excellence in providing high quality health care while serving the diverse needs of those living within our service area. AdventHealth provides emergent care to individual patients without discrimination regardless of their ability to pay, ability to qualify for financial assistance, or the availability of third-party coverage. If third-party coverage is not available, AdventHealth offers financial assistance for those who qualify. Wherever possible, a determination of eligibility for financial assistance will be initiated prior to, or at the time of service by a hospital or other organization. AdventHealth or a related entity (a partnership providing emergent care or other medically necessary care in which AdventHealth has an ownership interest) will provide financial assistance to eligible patients receiving medically necessary care based on financial need.
- III. **POLICY:** In accordance with the law, AdventHealth will always provide treatment to patients in an emergency department regardless of their ability to pay. Eligible patients will never be billed more than the amounts generally billed (AGB) to an insured patient. AdventHealth uses the lookback method to calculate AGB. For more information on the calculation of AGB, contact Customer Service at 855-241-2455 and/or see section IV of this document.

The MDMP objectives are fulfilled by the AdventHealth Financial Assistance Policy which includes:

- A discount of 100% financial assistance will be applied for patients approved with a household income less than or equal to 250% of the federal poverty level.
- A discount of 75% financial assistance will be applied at minimum for patients approved with a household income within 251-400% of the federal poverty level unless patient responsibility is determined to be greater than 25% of their annual income. In which case, a 100% financial assistance discount will be applied.
- A 98% presumptive charity discount is applied to uninsured patients with a household income less than or equal to 250% of the federal poverty level for urgent or emergent hospital services.

- As of January 1, 2026, a 98% presumptive charity discount is applied to uninsured patients with a household income less than or equal to 300% of the federal poverty level for urgent or emergent hospital services.
- Patients enrolled in certain federal and state programs who meet other non-income-based criteria can qualify for 100% financial assistance and no application is necessary. Presumptive eligibility is applied based on section C of the AdventHealth Financial Assistance Policy (CW F 50.1) linked below and briefly described under Presumptive Eligibility below. AdventHealth offers affordable 36-month payment plan options, no more than 5% of income for patients unable to pay their medical bill in full and who do not qualify for financial assistance.
- Through the patient check-in process, we will collect all relevant patient information to screen a patient for financial assistance. If the patient falls within the presumptive eligibility criteria, they will be evaluated and assessed for a discount through an Independent Eligibility Assessment (IEA) or submission of the financial assistance application.
- AdventHealth will screen patients for Presumptive Eligibility and notify patients of results based on the following timeline:
  - Non-emergent services:
    - Screening occurs prior to or at check in.
    - Notification will be provided prior to discharge.
  - Emergent services:
    - Screening to occur as soon as possible, prior to discharge if feasible,
    - Notification will be provided prior to issuing a bill to the patient.
- All details regarding available financial assistance can be found within our AdventHealth Financial Assistance Policy. The policy, application and plain language summary can be found on our website at [Financial Assistance | AdventHealth \(www.adventhealth.com/legal/financial-assistance\)](http://www.adventhealth.com/legal/financial-assistance). Assistance Policy would apply as if the individual had submitted a completed Application. However, some of the patient population may not engage in the traditional financial assistance application process. If the patient does not submit the Application, AdventHealth may choose to provide financial assistance in lieu of sending the patient to collections based upon the above referenced IEA.

Every reasonable effort will be used to secure written income information, and if not provided, we will use the patient’s attestation and statement income to determine eligibility if unable to verify through IEA.
