Family Resource Center

Caring by Sharing Closet

Families are welcome to visit the closet where clothing items, toiletry kits, toys, books and puzzles are available. This is the perfect place to find any items you may have forgotten before your hospital stay. The closet is available to families 24 hours a day.

Families of patients on contact and/or droplet precautions are asked to avoid visiting the Family Resource Center. We are happy to provide deliveries to the patient's room with any items needed. Call the center at 112-2279 with requests during staffed hours. The following items are available: coffee, tea, water, snack pack, breakfast bar, hygiene kit and fruit.

Welcome!

We're happy to assist in any way to make your stay more pleasant.
