**We've Got an App for That**  
**Virtual Visits**

Now your child's urgent care appointment can happen from your couch at home, seven days a week, 24 hours a day. Our providers can conduct a doctor's appointment via secure video chat on your smart phone or tablet. After the diagnosis they can even submit a prescription to your preferred pharmacy — if needed. Download the AdventHealth app on the Apple App Store or Google Play to access virtual care.
