

Help us to learn more about how you take care of your Type 1 diabetes during pregnancy by joining this online study.

## You may be eligible if you:

- ✓ Have had T1D for at least 6 months
- ✓ Are less than 15 weeks pregnant with one baby
- ✓ Regularly use a continuous glucose monitor (CGM)
- ✓ Are at least 18 years old
- ✓ Have a smartphone & access to a computer

Compensation is available for participants who complete their questionnaires and share their device data.

## How to Participate
