Workplace Giving

Give a little, change a lot.

Engage your colleagues for a good cause by hosting a virtual or in-person fundraiser to support AdventHealth.

AdventHealth uses your spare change to change the lives of patients in our community. From cancer or heart care to clinical innovations and more, our team will provide the details needed to choose an area at AdventHealth most meaningful to you and your team. Every little bit adds up to help the people who need it most.

Here are a few ideas:

Dress-Themed Day: Donate \$5 to dress down, wear silly hats or crazy socks

Gas Money: Raise money by asking your team members who are working from home to donate their saved gas money.

Trivia: Organize a virtual or in-office trivia game. Collect donations to play and offer small prizes.

Bake Sale: Bake your favorite goodies and ask for donations to try one of each.

Car Wash: Gather your team and host a car wash in your office parking lot.

Walk-A-Thon: Coordinate a walk/run and ask friends and family to donate toward your efforts.

Matching Dollars: Ask your company if they offer matching dollars for your donation.

Play it Forward: Create a livestream fundraiser or host a pay-to-play video game night against each other.**

Support with a Shirt: Celebrate your workplace giving efforts with a GIVE, LIVE, LOVE shirt order.*

* Contact your Foundation representative for information on shirt orders.
